SEALED BATTERY BOX

PARTS LIST

1	Plastic battery case with lid	2	3/4" grommets
1	Steel strap	2	5/8" grommets
2	3/8" threaded rods	2 ft.	3/8" clear hose
2	3/8" standard nuts	4 ft	sealing gasket
2	Flat washers	6	1/4" bolts
4	3/8" nylock nuts	6	1/4" wing nuts
		6	Poly washers

1. Locate a suitable location for the Battery Box and use the plated hold down bracket as a template to drill two 13/32" holes in the bottom of the Battery Box and the mounting area. (MAKE SURE THERE ARE NO OBSTRUCTIONS IN THE AREA TO BE DRILLED SUCH AS GAS TANK).
2. Mark and drill two 5/8" holes in the side of the box in a suitable location for the battery cables to pass through. Insert the 5/8" grommets into these holes.
3. Drill one 3/4" hole in the side of the box and one 3/4" hole in the floor of the vehicle for the vent tube. Install the 3/4" grommets into these holes and then route the 3/8" clear hose through the Battery Box and the floor of the vehicle and cut off excess hose as needed.
4. Thread the 3/8" standard nuts onto the threaded rods and insert the threaded rod with the nuts facing down through the bottom of the Battery Box and floor of the vehicle. Install a flat washer and one nylock nut to each threaded rod underneath the vehicle. Tighten the nylock nuts until there is approximately 1/8" threaded rod showing through the nut. Tighten the standard nuts securely inside the Battery Box.
5. Install battery in box and secure with hold down bracket and nylock nuts.
6. Route the battery cables you have chosen through the holes in the side of the Battery Box and attach to battery as required.
7. Attach the sealing gasket into the channel of the lid and trim off excess. Adhere the gasket to the lid using weather strip adhesive.
8. Place the lid on the Battery Box and drill six 1/4" holes through the lid and the bottom in the six flat spots provided.
9. Insert 1/4" bolts through the bottom up through the lid and tighten using the 1/4" poly washers and 1/4" wing nuts.

IMPORTANT

DISCLAIMER In an effort to offer our customers the low prices, quick service and great value, Speedway Motors reserves the right to change suppliers, specifications, colors, prices, materials. Each of the previous items is subject to change without notice. Speedway is not responsible for any typographical errors or misinterpretations. Quantities are limited on some items.

WARRANTY DISCLAIMER The purchaser understands and recognizes that racing parts, specialized street rod equipment, and all parts and services sold by Speedway Motors, Inc. are exposed to many and varied conditions due to the manner in which they are installed and used. Speedway Motors, Inc. makes no warranties, either express or implied, including any warranty of merchantability or fitness for a particular purpose other than those contained in its current catalog with respect to the goods identified on the face of the invoice. There is no warranty expressed or implied as to whether the goods sold hereby will protect purchaser or ultimate user of such goods from injury or death. Speedway Motors assumes no liability after this period.

DAMAGE CLAIMS Always inspect your package upon delivery. Inspect all packages in the presence of the delivery driver. The driver must note any damage. Ask the driver the Carrier's procedures for handling damage claims. You must hold the original box, packing material and damaged merchandise for inspection or the carrier will not honor the claim. Notify Speedway Motors customer service department for instructions on returning damaged goods. Speedway is not responsible if no notification is given within 5 days of receipt.

SHORTAGES Always check the contents of your delivery to insure all the parts that you ordered were received. Please read the invoice. Double check all packing materials, small items may be wrapped inside with these products. Shortages may occur from damage to the box, so save all packing materials. Inspect the box for holes that would allow parts to fall out. If you are missing any item(s) be sure to check your invoice for back orders or canceled items before calling the customer service department. If Speedway has to split a shipment into multiple boxes, packages may be delivered on different days. You need to contact the customer service department within 5 days of delivery to assure the prompt replacement. Speedway Motors assumes no liability after this period.

REFUSALS All refused COD customers will be billed a 15% restocking charge plus freight to and from the destination! If you have questions please contact Speedway's customer service department.

WARRANTY CLAIMS If an item has a manufacturer's warranty as being free from defects we will exchange only. If the item has been used and you are requesting warranty work, this may take up to 30 days as warranty work is done by the manufacturer NOT Speedway Motors. If you have any questions please contact customer service.

RETURNS Speedway wants you to be satisfied with your purchase. If within 30 days after you receive your shipment you are not satisfied, you may return the item for refund or exchange. All exchanged or returned merchandise must be in original factory condition with no modifications or alterations. Returned merchandise must include all packaging materials, warranty cards, manuals, and accessories. If the items being returned need to be repackaged there will be a re-packing charge. Re-pack the item in a sturdy box and include a copy of your invoice and complete the form on the back of the invoice. You must ship orders back **PRE-PAID. WE DO NOT ACCEPT COD SHIPMENTS.** All exchanges need to have reshipping charges included. Items that are returned after 30 days are subject to 15% restocking charges. All fiberglass returned will have 15% restocking charge. No returns on electrical parts, video tapes, and books. Absolutely no returns on special order or close out merchandise.

FREE CATALOGS Speedway Motors offers FREE catalogs for Race, Street, Sprint and Midget, Sport Compact and Pedal Car restoration.

**Some items are not legal for sale or use in California on pollution controlled motor vehicles. These items are legal in California for racing vehicles only which may never be used upon a highway.
