

INSTALLATION INSTRUCTIONS

Part Number KA-2587

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter can last many seasons. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

1. Remove the stock air filter.
2. Install the K&N Filtercharger® into the air box base.
3. Shorten the three holding posts in the center of the air box lid to prevent air filter damage from contact with the filter material. Cut a minimum of a 1/2 inch. (Fig. 1)
4. Reinstall the air box lid.

Available to purchase separately

Precleaner Wrap; 25-2587

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
