

INSTALLATION INSTRUCTIONS

Part Number YA-1089

This filter fits: SEE CATALOG FOR CURRENT APPLICATION

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

1. Remove the stock air filter.
2. Remove the rubber seal from the top of the stock air filter.
3. Reinsert the rubber seal into the top of the K&N Filtercharger®.
4. Apply the provided gaskets onto the K&N Filtercharger®.
Note: The gaskets will be in the same location as whats on the stock air filter.
5. Install the K&N Filtercharger® into the air box.
6. Reinstall the air box lid and the stock washer and tighten the stock screw.

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
