

# INSTALLATION INSTRUCTIONS

Part Number YA-6094

**This filter fits:** SEE CATALOG FOR CURRENT APPLICATION

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

## INSTALLATION

1. Remove the stock air filter.
2. Remove the rubber seal from the top of the stock air filter.
3. Reinsert the rubber seal into the top of the K&N Filtercharger®.
4. Apply the provided gaskets onto the K&N Filtercharger®.  
**Note:** The gaskets will be in the same location as on the stock air filter.
5. Install the K&N Filtercharger® into the air box.
6. Reinstall the air box lid and the stock washer and tighten the stock screw.

**THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.**
