'82-'88 T-Bird and '79-'93 Mustang Power Steering Hose Installation

This power steering hose kit is designed to fit the 82-88 T-bird and 79-93 Mustang power steering racks, using a GM integral power steering pump.

PLEASE READ INSTRUCTIONS COMPLETELY BEFORE STARTING YOUR INSTALLATION

Thread the two adapter fittings into the power rack, the smaller 14 MM fitting is the high pressure side and the larger 16 MM fitting is the return side. Install the 90° hose ends on to the adapter fittings. The pressure fitting on the rack is toward the front side of the rack and the return fitting is toward the rear.

WARNING! Care must be taken that the hoses are connected correctly. Since both adapter fittings supplied in this kit converts both ports to a -6 AN fitting it is possible to connect them up backwards. If the hoses are connected incorrectly the internal pressure will blow out the seals and cause leaking.

Connect the return line to the pump and secure it with the hose clamp supplied. If your GM integral pump used an O ring seal, insert the small brass ferrule into it converting it to an inverted flare. It may be necessary to tap the ferrule into place with a small punch. If you're GM integral pump has an inverted flare fitting simply connect the high pressure hose directly into the pressure fitting on your pump.

DISCLAIMER

In an effort to offer our customers the low prices, quick service and great value, Speedway Motors reserves the right to change suppliers, specifications, colors, prices, materials. Each of the previous items is subject to change without notice. Speedway is not responsible for any typographical errors or misinterpretations. Quantities are limited on some items.

WARRANTY DISCLAIMER

The purchaser understands and recognizes that racing parts, specialized street rod equipment, and all parts and services sold by Speedway Motors, Inc. are exposed to many and varied conditions due to the manner in which they are installed and used. Speedway Motors, Inc. makes no warranties, either express or implied, including any warranty of merchantability or fitness for a particular purpose other than those contained in its current catalog with respect to the goods identified on the face of the invoice. There is no warranty expressed or implied as to whether the goods sold hereby will protect purchaser or ultimate user of such goods from injury or death. Speedway Motors assumes no liability after this period.

DAMAGE CLAIMS

Always inspect your package upon delivery. Inspect all packages in the presence of the delivery driver. The driver must note any damage. Ask the driver the Carrier's procedures for handling damage claims. You must hold the original box, packing material and damaged merchandise for inspection or the carrier will not honor the claim. Notify Speedway Motors customer service department for instructions on returning damaged goods. Speedway is not responsible if no notification is given within 5 days of receipt.

SHORTAGES

Always check the contents of your delivery to insure all the parts that you ordered were received. Please read the invoice. Double check all packing materials, small items may be wrapped inside with these products. Shortages may occur from damage to the box, so save all packing materials. Inspect the box for holes that would allow parts to fall out. If you are missing any item(s) be sure to check your invoice for back orders or canceled items before calling the customer service department. If Speedway has to split a shipment into multiple boxes, packages may be delivered on different days. You need to contact the customer service department within 5 days of delivery to assure the prompt replacement. Speedway Motors assumes no liability after this period.

REFUSALS

All refused COD customers will be billed a 15% restocking charge plus freight to and from the destination! If you have questions please contact Speedway's customer service department.
