## QA1 Debuts Limited Lifetime Shock Warranty

Lakeville, MN [December 1st, 2020] – QA1 is excited to announce the launch of its new limited lifetime warranty program. Offered on many of the most popular shock lines, the limited lifetime warranty can be applied to shocks purchased on or after 9/1/2020.

A leader in shocks and performance products for nearly 30 years, QA1 has always had a commitment to quality. This new limited lifetime warranty is a way to further assure customers of the quality of these products.

“We’ve been excited with our #goDRIVEit initiative and thought this was the perfect way to double down and further QA1’s commitment to the #goDRIVEit lifestyle. We want you to drive more and enjoy your vehicle, and we want you comfortable while doing so,” says Melissa Scoles, QA1’s President/CEO. “This limited lifetime warranty is further proof that QA1 produces high-quality, long-lasting shocks, and we’re willing to stand by them no matter how many miles you put on them.”

Eligible for this warranty are the vast majority of QA1’s performance shocks. These include: Proma Star, Stocker Star, Ultra Ride, and Aluma Matic shocks.

For more information and full details on how to register, please visit [www.QA1.net/Warranty](http://www.QA1.net/Warranty).
